## Speaker Bios

 @SYBHealthcare   
#SYCYPAlliance #HealthierTogether

### **Ruth Brown: Chief Executive** Sheffield Children's NHS Foundation Trust

Ruth is Chief Executive of Sheffield Children's NHS Foundation Trust and was appointed in December 2021 having been Executive Director of Strategy and Operations since 2017 and then Deputy CEO. She is also a trustee of The Children's Hospital Charity.

Ruth has 33 years of NHS experience and strives to be a leader that creates a compassionate and inclusive NHS for all. She has a wealth of experience leading complex change, promoting improved patient and colleague experience, creating strategy and leading collaborations within and across organisations. Ruth led Sheffield Children's response to the COVID-19 pandemic during 2020/21 and works closely with colleagues on the Executive Team to recover provision following this.

Ruth is the lead CEO for the Children and Young People's Alliance in South Yorkshire and is a member of many partnerships including the National Children's Hospital Alliance; South Yorkshire Acute Federation; South Yorkshire Mental Health, Learning Disability & Autism Provider Collaborative and Sheffield Health Care Partnership.

### **Will Cleary-Gray: Executive Director** South Yorkshire Integrated Care Board

Will has been the Chief Operating Officer of the South Yorkshire and Bassetlaw Integrated Care System since 2016 and is committed to developing integrated care for the people of South Yorkshire. Will has senior experience across a range of health, care and academic sectors, including system partnerships, commissioning, provision, the voluntary sector, the Department of Health, the University of York and the Royal College of Nursing. He brings a breadth of experience working across health and care in highly complex and emergent environments. Will is a critical care nurse by background and is passionate about improving population health and wellbeing.

## **Liz Lingard: Transformation Lead**

### **NHS England North East & Yorkshire**

Dr Liz Lingard works in North East and Yorkshire NHS England & NHS Improvement and is currently focussing on Health Equity Improvement. She has previously worked as a RightCare Delivery Partner and the Getting It Right First Time (GIRFT) Regional Hub Director for North East and Yorkshire and has extensive experience of using measurement for quality improvement. She has also worked as a senior musculoskeletal physiotherapy clinician and academic in the UK, US and Australia and recognises the importance of strong clinical engagement and research rigour for identifying and implementing best practice alongside co-production with our communities and partner organisations to successfully transform services to ensure that there is equitable access, excellent experience and optimal outcomes.

## **Greg Fell: Director of Public Health**

### **Sheffield City Council**

**Greg Fell** is the Director of Public Health in Sheffield. He graduated from Nottingham University with a degree in biochemistry and physiology in 1993. He has worked as a social researcher in a maternity unit; a number of roles in health promotion and public health before joining the public health training scheme. Greg worked as a consultant in public health in Bradford PCT then Bradford council. Since Feb 2016 he has worked for Sheffield City Council as the Director of Public Health. Greg was also appointed to the role of Vice President to the Association of Directors of Public Health (ADPH) in December 2021.

## **Sally Hogg: Deputy Chief Executive & Head of Policy**

### **Parent-Infant Foundation**

Sal is currently Deputy CEO and Head of Policy and Communications at the Parent-Infant Foundation, where she leads work to raise awareness of the importance of the earliest years, and to drive change at a local and national level. Sally coordinates the All-Party Parliamentary Group for conception to age 2 and chairs the First 1001 Days Movement, a campaigning alliance of over 200 charities and professional bodies.

Prior to this, Sal's roles included Strategic Lead at the Maternal Mental Health Alliance, Senior Commissioner in a Local Authority and Development Manager for Children Under One at the NSPCC, where she developed and implemented research-led interventions. Sal started her career as a Civil Servant working on Children's Policy in Westminster and New South Wales, Australia. She has authored a range of influential policy reports relating to the importance of the earliest years of life and issues affecting families during that time.

Attendees at this conference might be interested to know that Sal grew up in Chesterfield and her first job, aged 16, was as a ski instructor at Sheffield Dry Ski Slope!

### **Kath Sharman: Managing Director SHINE, Sheffield**

Kath qualified as a registered nurse in 1977 and moved into nurse education in 1985, teaching psychology and counselling at the University of Sheffield for 16 years. She graduated with a BSC (Hons) degree in Nursing and Education in 1992 and attained a distinction in a master's degree in counselling studies in 1995. Kath has since specialised as a Child and Adolescent Therapist and has been running weight management programmes for children and young people since 2003. Her pioneering programme called SHINE focuses on the 'real life' experiences of young people and explores the psychological reasons which often underlie disordered eating patterns. SHINE is an award winning programme winning several best practice awards, the Pride of Britain Best Community project, best research presentation at the Obesity Conference in Cape Town, South Africa and more recently featured on a BBC Panorama Documentary.

### **Sarah Robertson: Dental Public Health Consultant NHS England & Improvement**

Sarah Robertson is a Consultant in Dental Public Health, and has worked in Dental Public Health for 16 years initially in PCTs, and then Public Health England before transferring to NHSE&I. She currently supports NHSE&I in the commissioning of dental services to reduce inequalities in oral health. She also provides specialist advice to local authorities to support them in fulfilling their statutory responsibilities around oral health improvement, helping them address the common risk factors for poor oral health and other diseases, including obesity. Sarah is also a busy mum to four children, and enjoys singing with the Sheffield Chorale.

## **Louise Millington: GP Partner**

### **Pitsmoor Surgery, Sheffield**

Louise is a GP partner & Trainer at Pitsmoor Surgery and named GP for Children's Safeguarding at Sheffield Clinical Commissioning Group (CCG). She is also a Sheffield Health Inclusion Champion and has special interests in public health and palliative care, particularly in developing countries, and a passion for tackling health inequalities.

## **Chrissy Luff: Personalised Care Manager**

### **NHS England North East & Yorkshire**

About Chrissy: I Live in Cheshire, Northwest region, England. NMC Registered General Nurse, Emergency care Practitioner, and Queens Nurse. My approach to leadership: be curious and creative which means I operate well in ambiguity, engage in experimentation, learn by listening. My role gives me an opportunity to be an Explorer and Practice developer. My proudest moment was being awarded the title of Queens Nurse in 2019 and I have the privilege of working part time clinically in my local Primary Care Network (PCN), initially supporting the Vaccination campaign, and currently work as a Community Nurse supporting COVID and Personalised End-of-Life (PEoL) Virtual Wards.

Career: 41 years in Health Care initially in Accident & Emergency, then Community Nursing. I have also held a number of positions within Commissioning in Complex care, PEoL, Emergency Care and Continuing Healthcare. During the past 4 years, I have worked for NHSE&I in Continuing Healthcare and currently work in the Regional Personalised Care Team, supporting South Yorkshire Integrated Care System (ICS).

## **Lesley Pollard: Chief Executive**

### **Chilypep: The Children & Young People's Empowerment Project**

I'm a Youth Worker through and through, with 35 years' experience of Youth and Community Work across South Yorkshire. Over this time, I've been lucky enough to develop my experience from being a grassroots youth and community development worker to senior management level in the voluntary sector, working with strategic and multi-agency partnerships, and with voluntary, community, and Young People's organisations and groups.

For the last 21 years I've had the privilege of being the CEO of The Children and Young People's Empowerment Project (Chilypep), developing what was a single project development post, based within a host community organisation, into a nationally recognised independent Charity.

My previous work experience includes as a Domestic Abuse Coordinator, Participation Project Officer for The Children's Society, Community Development Worker, and a range of Youth, Community and Adult Community Education posts.

### **Darren Huart: Development Manager** **Yorkshire Sport Foundation**

Darren is a Development Manager for Children & Young People at Yorkshire Sport Foundation, a National Lottery funded charity working predominantly across South and West Yorkshire. They work closely with partners to help individuals and communities tackle inequalities, overcome barriers, and build healthy habits for life.

### **Megan Garside: Research Fellow** **Leeds & York Partnership NHS Foundation Trust**

Megan is a Research Fellow in the COMIC (Child Oriented Mental health Innovation Collaborative) team at Leeds & York Partnership NHS Foundation Trust. COMIC works with children and young people to conduct innovative mental health research. Megan co-ordinates the grant applications for future research within the COMIC team and has also led on a number of research studies, including 'Safety Nets'.

### **Martin Griffiths: Consultant Surgeon** **NHS England & NHS London**

Martin P. Griffiths CBE DL FRCA FRCS is a consultant Trauma and Vascular Surgeon at Barts Health NHS Trust, where he developed the nation's first ward-based intervention programme for the victims of interpersonal injury. He is also National Clinical Director for Violence Reduction (NHS England) & Clinical Director for Violence Reduction Network (NHS London) and has led the expansion of the public-health approach to violence reduction in the capital. He has an interest in integrating peer groups in the co-design of community and healthcare-based prevention and education programmes.

## Marcus Isman-Egal: Strategic Manager Doncaster Children's Services

An MSc Graduate from the University of Hull, Marcus has a range of skills in developing new programmes and services, running not for profit business to business & youth enterprise initiatives. Marcus previous work include the management of a Department for Education (DfE) national programme at the Children's Workforce Development Council & has held several senior strategic roles with local authority services for young people.

At Doncaster Children's Service Trust Marcus has led the design and development of EPIC Youth Crime Prevention Service working with a range of partners across Doncaster from Schools, Voluntary Youth Sector and South Yorkshire Police. Marcus is currently the Service Manager overseeing a range of service from the Youth Crime Prevention Service, Housing & Accommodation Service, and Children's Rights Service alongside leading the Doncaster Youth Offer, CE Strategy and Future Placement Strategy. Marcus is committed to social change through social enterprise initiatives and believes in the power of young people whatever their circumstances and challenges they face to generate measurable social impact.

Outside the office apart from being a chauffeur for his two teenage children, Marcus has a love for all things sports, including following Liverpool FC and playing tennis.

See also about our 'Nothing is Impossible' initiative on the next page and how we are inspiring young people to overcome challenges.

## Nothing is Impossible

Have you had a positive childhood experience that has helped you overcome life's inequalities and adversities?

Do you remember that one inspirational person (i.e., teacher/social worker) who stuck with you and helped you believe you could achieve?

We are looking for any professionals who are happy to share their experiences and prove nothing is impossible. We would like your shared experiences to encourage and inspire people. Often, as professionals, we pay more attention to what hasn't worked well and can forget to stop and consider what has worked well and has made a positive difference.

We plan to share videos on the CYP section of the ICS website and Healthier Together Staff Hub once in place

If you are interested and have a story to share, or would like further information, please speak to Donna or Jozia. There will be a stand in the Marketplace (alongside Healthier Together ) for you to visit and find out more on the day.

## The CYP Alliance Team

@SYBHealthcare 

### **Dr Nic Jay**

CYP Clinical Lead  
Consultant Paediatric Allergist

### **Nicola Ennis**

CYP Alliance Programme Lead

Nicola is Consultant Paediatric Allergist at Sheffield Children's Hospital. She has developed research interests in the prevention of food allergy, looking at minority population to improve health, moving allergy services into the community to improve access and de-labelling of antibiotic allergy. Nicola has a number of leadership roles including Royal College of Paediatrics Child Health Officer for Workforce and Health Services, Vice Chair of the Clinical Senate for Yorkshire & Humber, which gives impartial advice to clinicians across the region regarding service delivery, and the Clinical Lead for the Acutely Unwell Child Network in South Yorkshire & Bassetlaw ICS.

Nicola initially qualified as a Registered Nurse in Scotland and for the past 30 years has worked in both the voluntary sector and NHS, undertaking further training as a Public Health Nurse, and obtaining an MA in Sociology. She completed research on the physical and mental health inequalities of looked after children and following the research publication established a looked after children's health service in West Dunbartonshire. Nicola went onto project manage the redesign of specialist children's services in Greater Glasgow & Clyde, and managed Children & Adolescent Mental Health services in Glasgow and then Sheffield.

## **Sami Barker**

### **Hosted Network Manager**

Sami trained as a Children's Nurse and worked in a variety of hospitals across the West Midlands and East Anglia, mainly in acute assessment, before coming to South Yorkshire as part of the NHS Graduate Management Scheme. She originally joined the ICS on placement as part of the Maternity Network, before moving to a substantive role as the Network Manager for the Children & Young People's Alliance. Aside from the focus on Acute Care, she is particularly interested in Health Inequalities and LGBTQ+ Representation, and is also completing an MSc in Healthcare Leadership through the Elizabeth Garrett Anderson Programme.

## **Jozia Sadiq**

### **Programme Manager**

As Project Manager for the Children & Young People's Alliance, Jozia currently manages the different project workstreams to improve health outcomes and reduce inequalities for children and young people across the South Yorkshire & Bassetlaw Integrated Care System. A law graduate, Jozia holds rich and varied experiences in finance and banking, civil litigation, the civil service, human resources, NHS complaints, and project/operational management via the NHS Graduate Management Scheme.

 **@SYBHealthcare**

## Conrad Guiney

### Project Officer

Conrad is a Project Officer working closely on the Healthier Together website managing the content, editing pages and communicating with various stakeholders to maintain the website as a reliable and up to date source of information on paediatrics. Conrad completed an MSc in Arts & Cultural Management in 2019 and his first job after graduating was working in a cinema doing marketing and events. He joined the team in September 2020 and soon realised that the healthcare sector is a challenging and exciting environment which suits him well.

## Donna Coleman

### Assistant Project Manager

Donna has over 20 years of experience working in the NHS in a range of admin and clerical roles and more recently was the Admin Manager for Inpatient Child and Adolescent Mental Health Services in Sheffield. Having completed several qualifications over the years such as the Prince2, she is now in her final year of studying for a master's degree in leadership. Donna is excited to be supporting projects to improve the health outcomes of children and young people in South Yorkshire and Bassetlaw as part of the Children and Young People's Alliance.
